UNDETECTABLE AND LONG LASTING RESTORATIONS:

Planning and Technique for Stellar Dentistry

Learn simple, repeatable step by step techniques to deliver undetectable direct and indirect restorations. Do your Class 4 restorations show the fracture line? Class 3's and 5's not blend into the tooth? Adaptation issues in proximal boxes of Class 2s? Struggle with Black Triangle Closure? Not confident with direct composite veneers? Want to do more indirect veneers? Bonus: planning for smile design. This course will teach you new tips and tricks to allow all these restorations to disappear.

Learning Objectives:

- Learn new prepping, restoring and finishing technique for undetectable direct composite restorations
- Gain confidence for increased longevity with direct and indirect restorations
- Apply smile design principles for better outcomes and increased patient acceptance

HANDS-ON WORKSHOP

Putting all of the above into practice

Accredited Cosmetic Dentist | International Educator | Pioneer in Conservative Aesthetic Dentistry

Dr. McMahon leads one of Western Pennsylvania's premier cosmetic dental practices and stands among an elite group accredited by the American Academy of Cosmetic Dentistry. As an invited Fellow of the prestigious American Society for Dental Aesthetics and Fellow of the Academy of General Dentistry, she represents the pinnacle of cosmetic dental expertise.

A renowned international authority on minimally invasive cosmetic dentistry, Dr. McMahon lectures globally on advanced aesthetic technologies and conservative treatment approaches. Her pioneering work has earned recognition as a Top Dentist over 20 times, with peers consistently voting her Top Pittsburgh Dentist for more than two decades.

Beyond clinical excellence, Dr. McMahon champions the advancement of women in dentistry, mentoring the next generation of dental leaders through exclusive speaker training and professional networks. A University of Pittsburgh alumna, she continues to shape the future of cosmetic dentistry from her Pittsburgh home, where she raised three children.

The views expressed by speakers for the Stark County Dental Society events are solely those of the speakers and do not necessarily represent the views of the Stark County Dental Society, its Board or its Members. SCDS programs are intended to provide attendees with an opportunity to hear the featured speaker's views and ideas but should not be construed as an endorsement of any kind. Dentists should always utilize their own professional judgment when providing care to patients.
